**Project Description:**

The BPDA is hosting a virtual IAG meeting to discuss the recently filed 7th Amendment to Planned Development Master Plan no.69, the Development Plan for 232 A Street, and the response to the BPDA Request for Additional Information. The purpose of the meeting is to provide an overview of documents, and discuss potential impacts and mitigation. The meeting will include a presentation followed by questions and comments from the public. Please note that the purpose of this meeting is different from that of a traditional community meeting. As part of the development review process, IAG members work closely with BPDA staff to identify the impacts of a project and recommend appropriate community benefits to offset those impacts. IAG meetings prioritize discussion between the project proponent (i.e. the developer) and IAG members.
