

South Boston Transportation Action Plan

APRIL

10

6:30 PM - 8:30 PM

Location:

James F. Condon School

(200 D St, Boston, MA 02127)

Project Description:

The Boston Planning & Development Agency (BPDA) and Boston Transportation Department (BTD) will provide an overview of the draft recommendations for the South Boston Transportation Action Plan—a collaboration with the community, other City departments, and state agencies. The draft recommendations will include proven strategies and people-first improvements to eliminate serious and fatal traffic crashes, and create a safer and more efficient network for all modes of transportation—walking, biking, transit, and vehicles. The open house will include materials highlighting the draft recommendations and staff on-hand to answer questions. Translated materials and interpretation services in Spanish will be provided.
