## Summer 2024 Interns

Gain immersive and interactive professional development training and hands-on experience in HRP's 10-week internship program.

HRP is a real estate investment and redevelopment company that re-imagines, remediates, and redevelops obsolete industrial sites across the United States. HRP strives to transform not only properties but also the communities surrounding them through a comprehensive approach to community engagement, environmental sustainability, and economic development.

### QUALIFICATIONS

Enrolled in undergraduate or graduate degree program

Candidates must reside in South Boston and provide proof of residency

Candidates must be able to work both in-person and remotely Mon-Fri from June 3rd to August 16th, 2024

### JOB DESCRIPTION

Interns will work alongside members of the HRP team on a variety of projects related to the redevelopment of the historic former Boston Edison Power Plant, located at the intersection of South Boston and the Seaport District. This 15.2-acre site boasts architecturally significant structures, integral to our visionary 1.68 million square foot mixed-use development.

All interns will receive a broad education on HRP's business and have the opportunity to specialize in one of six areas: Accounting/Finance, Administration, Corporate Affairs, Development, Environmental Remediation, and Project Management.
